### Education

---

University of International Business and Economics	August 2023-present
Master of Professional Accounting	GPA: 3.86/4.0
Supervisor: Dr. Xuejiao Liu	
University of International Business and Economics	August 2019-June 2023
Bachelor of Management in Accounting	GPA: 3.44/4.0

### Research Experience

---

- International Business School, University of International Business and Economics  
Investigator, advised by Dr. Xuejiao Liu  
*Stata; Research topic: Macro-economic forecast, State-ownership*  
Responsible for: *idea searching, data processing, empirical designing, writing*  
Abstract: We are interested in the current state of China's real estate industry. Our aim is to examine whether macroeconomic analysts at brokerages with higher levels of state ownership demonstrate a policy-driven optimism bias in their forecasts for real estate indicators following the loosening of real estate policies in China at the end of 2021.  
June 2024-present
- HKU Business School, University of Hong Kong  
Research assistant for Dr. Charles Kang  
*Stata; Research topic: Merge&Acquisition, non-profits*  
Responsible for: *idea searching, data collection, data cleaning*  
Mar. 2024-June 2024
- International Business School, University of International Business and Economics  
Research assistant for Dr. Xuejiao Liu  
*Stata; Python; Research topic: Commercial banking, human capital, textual analysis*  
Responsible for: *idea searching, data collection, data cleaning, test variable searching*  
Abstract: We aimed to determine whether commercial banks increased their demand for forward-looking skills after implementing the IFRS9 Expected Credit Loss model. I contributed to the development of a key-word dictionary focused on forward-looking skills, which enabled us to gauge skill demand by the word frequency in job descriptions.  
Sept.2023-Jan. 2024
